

## Healthy Kent 2010 Suicide Prevention Coalition

### **Presents A Training Opportunity**

This presentation will train those who in turn can present the material to others at their churches, agencies or businesses.

This training is intended for paraprofessional and non-clinical professionals who often come in contact with people who may have some level of self-harm or suicide risk.

Some examples:

- Pastors/church staff
- Receptionists at a social service agency, therapist office, court office, doctor's office
- Human resource staff
- Nurses, wellness staff
- Residential staff at nursing facilities, AFC homes
- Teachers, school counselors
